There is nothing like the calm that you feel as you make your way down Karen Drive at the end of a long day at work. This pretty, tree-lined street seems to welcome you home. Everything says you have arrived...the beautiful setting, the crisp, green lawn, the flowering trees out front. Inside, you find spacious rooms, hardwood floors, updated kitchen and baths, and large, light-infused rooms. Everything says you have arrived. Step onto the covered patio and maybe enjoy an end-of-day cocktail while you smell tonight's dinner sizzling on the grill. This winter, cozy-up by the fireplace with your sweetheart - or with the rest of the family too. Plenty of space for the whole gang, yet space to get away from them all when you need it! Did we mention those low, Mahwah taxes?
